

## Eugeniu Stan | Front-End Web Developer

Portsmouth | 07834738610 | [lucianstan87@yahoo.com](mailto:lucianstan87@yahoo.com) | LinkedIn: Eugeniu Stan | GitHub: mister-stan

### Professional profile

Diligent and results-driven **Front-End Web Developer** with approx. 2.5 years of commercial IT experience. Solid foundation in **HTML, CSS, JavaScript, Node.js, React, Next.js, Git, and TypeScript**. Recently completed an intensive Front-End Development Bootcamp, acquiring valuable hands-on experience designing and implementing user-centric web applications. Adept at collaborating with cross-functional teams to create innovative, responsive, and efficient web solutions that align with business goals. Excellent problem-solving skills and a passion for delivering a seamless user experience make me an asset to any web development team.

### Skills and Expertise

- Proficient in HTML, CSS, JavaScript, Node.js, React, Next.js, Git, and TypeScript
- Strong understanding of responsive web design principles and mobile-first approach
- Experienced in utilising modern front-end frameworks and libraries for streamlined development
- Skilled in cross-browser compatibility and performance optimisation
- Ability to work in a fast-paced, agile environment and adapt to changing priorities
- Excellent communication and collaboration skills for effective teamwork
- Detail-oriented with a commitment to delivering high-quality, maintainable code
