Eugeniu Stan | Web Developer

Portsmouth | 00447834738610 | lucianstan87@yahoo.com | LinkedIn: Eugeniu Stan | GitHub: mister-stan

Professional profile

Passionate web developer with experience in social media marketing and customer service. Completed a 5-month coding boot camp where I gained proficiency in HTML, CSS, JavaScript, Node.js, and React. Experienced in developing responsive web designs, user interfaces, and website functionality following best coding practices and workflows. Adept at collaborating with clients and team members to achieve project goals.

Key Achievements

- Collaborated with team members to create an interactive user interface for a web application, resulting in positive feedback from clients and users.
- Participated in group projects where I followed best coding practices and workflow, utilising GitHub best practices in a team working environment.
